

This is us at the top of  
the battlefield

# Horseshoe Bend

Horseshoe Bend is where the last creek indian war was fought. We saw a museum with a 23 minute video of the war. We got to try to earn junior ranger badges by doing lots of fun activities and stuff.

We also went on a about 4 mile hike with two alive armadillos! We saw a battle field.

Cannon on the battlefield

Our hike  
was very  
pretty

This armadillo  
hung out with us for  
awhile it must have  
been blind and deaf

Pretty
